Mr. Hub Miller
Chief, High-Level Waste Technical
Development Branch
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Hub:

I would like to extend my sincere thanks on the briefings you and the rest of the NRC Staff provided the task force on November 15, 1982. The briefing was well prepared, and I felt it was presented at such a level that the information was useful to everyone. All of you did a fine job of condensing complex and/or very technical information into informative summaries.

Thank you again for all your help and cooperation.

Sincerely,

Nicholas D. Lewis
Chairman
