SUBJECT: PARTICIPATION IN THE HANFORD SITE CHARACTERIZATION  
REPORT REVIEW BY A METEOROLOGIST/CLIMATOLOGIST

This letter confirms our conversation on November 8, concerning the participation by a meteorologist/climatologist from your branch in the Hanford SCR review scheduled to begin on November 15, 1982.

It is contemplated that your branch will review chapter 8 and those portions of chapter 13 that pertain to meteorology and climatology. It is suggested that the deliverable be a letter report to me due on December 1, 1982.

A meeting was held on Monday, November 15, at 10:00 a.m. to discuss the SCR review. The meeting was held in room 440, Willste Building. A copy of the BWIP SCR was given to your representative at that time. Paul Prestholt will represent WMHT for this review.
