MEMORANDUM TO: James M. Taylor  
Executive Director for Operations

FROM: John C. Hoyle, Secretary

SUBJECT: SECY-95-153 - LICENSING SUPPORT SYSTEM SENIOR  
MANAGEMENT TEAM RECOMMENDATIONS ON DIRECTION  
OF THE LICENSING SUPPORT SYSTEM

This is to advise you that the Commission has not objected to the actions proposed in the subject paper, subject to adjustment for Congressional developments regarding NRC's and DOE's funding authorizations or appropriations. Item 5 should be modified to read:

The Commission should support the SMT in its efforts to ensure that the LSS meets the needs of a trial lawyer and technical reviewer in the HLW proceeding and encourage DOE and the other parties in this proceeding to work toward satisfying this constraint.

The SMT should report back to the Commission prior to finalizing the MOUs, proceeding with the pilot program, or making final decisions on which documents would be included in the LSS.
