(Return to WM, 623-SS)

This will confirm my handwritten request of January 24, 1983.

Please send ten copies of the BWIP SCR to the NRC Advisory Committee on Reactor Safety. They should be addressed to the Committee at Mail Stop H1016, attention R. C. Tang.

I have arranged for DOE to replace the above ten copies with copies from a new printing, now in progress. These are expected to be available in about three weeks.
