

**Statement of Work**  
**William F. Thomann**  
**June 20, 2002**

This individual will be a Technical Specialist on the 2002 QA Audit of the CNWRA. He will perform work on the SwRI audit team dealing with geoscience subject. He will be directed by the SwRI Audit Team Lead. He will prepare for the audit by reviewing material supplied to him, he will questions CNWRA staff members, and he will write the geoscience section of the audit report.
