

SUPPORT FOR CONTRACTOR REQUEST

CONTRACTOR: Dr. Vincent Covello

RATE (dollars/hour): for risk communication training course.

PERIOD OF PERFORMANCE: February 15, 2000 through February 15, 2001

STATEMENT OF WORK: Dr. Covello will conduct a one-day training course on risk communication at CNWRA offices in San Antonio, Texas. In addition, on an as-needed basis, Dr. Covello will be asked to provide individual coaching to prepare members of the CNWRA staff for participation in hearings and public meetings.

ESTIMATED UTILIZATION (hours): 30

PRIOR CONTRACTOR WORK EXPERIENCE WITH SWRI: None

PROGRAMMATIC NEED FOR CONTRACTOR WORK: One of the goals of the new public outreach project is to train selected CNWRA staff to clearly communicate the risks associated with the transportation and storage of spent nuclear fuel.

LIST OF ELIGIBLE CONSULTANTS CONSIDERED: Dr. Vincent Covello and Battelle's Pacific Northwest Laboratories (PNL).

RATIONALE FOR SOLE/SINGLE SOURCE SELECTION:

RATIONALE FOR NOT USING SwRI RESOURCES: There are no SwRI personnel with expertise in public risk communication.

PROJECT NUMBER(S): 20.01402.941
