***Statement of Work
Dr. Kenneth Kodama
July 29, 2003***

Dr. Kodama will assist CNWRA staff in the processing and modeling of gravity and magnetic data from the Yucca Mountain region. As part of this activity, he will instruct CNWRA staff in the modeling, processing, and interpretation of geophysical data using appropriate software.

Dr. Kodama also will assist CNWRA staff in other Work-For-Others projects as needed.
