In the Matter of
Private Fuel Storage, L.L.C.
(Independent Spent Fuel Storage Installation)
Docket No. 72-22-ISFSI

Dear Denise:

In a series of E-mail messages last week, I indicated that the NRC Staff and its consultants from Oak Ridge National Laboratory and Sandia National Laboratories were transmitting to you directly several sets of electronic files containing the inputs and outputs of various computer analyses referred to in the NRC Staff's reports, filed on May 11, 2004.

I am herewith forwarding to you a number of documents that were referred to or relied upon by Staff witnesses Aramayo, Bajwa, Bjorkman, and Shewmaker in their reports of May 11, 2004. Additional reference documents were produced to you directly by Staff witness Robert Kalan of Sandia National Laboratories on Friday, May 14, 2004.

Copies of the enclosed documents are being provided herewith to Counsel for Private Fuel Storage, L.L.C. (PFS). Copies of the Sandia documents and of the computer files referred to herein will be provided to Counsel for PFS shortly.

Sincerely,

/RA/
