Subject: Re: Letter from Sherwin Turk to the Licensing Board(PFSproceeding)

Dear Mr. Turk,

This morning the State received the hard copies of the reference reports. Of those that had computer analyses, none contained the simulations or input and output files as has been customary in this proceeding. As you know, these reports cannot be utilized without that supporting electronic data. So not to delay the upcoming scheduled depositions, please send two copies of the electronic files for each report to be received tomorrow, May 13, 2004, if you haven't already done so. Thank you.

Jim Soper, Assistant Attorney General, State of Utah
Connie Nakahara, Special Assistant Attorney General, State of Utah

Attached is a letter from Sherwin Turk to the Licensing Board in the

Private Fuel Storage (PFS) ISFSI license proceeding, concerning the NRC Staff's filing of nine reports evaluating certain aircraft crash issues in the PFS proceeding.

The reports referred to in the attached letter contain safeguards information and are being served today by Federal Express or internal NRC mail, upon the members of the Licensing Board, Counsel for PFS and Counsel for the State of Utah.
