Mr. S. Tsalas, Head of Unit H.3
European Commission
Nuclear Safety and Safeguards
Batement Cube-Plateau du Kirchberg
L-2920 Luxembourg

SUBJECT: RETURN OF EURATOM SEALS

Dear Mr. Tsalas::

This letter is in response to your communications with the U.S. Nuclear Regulatory Commission, as listed below:

DS 10/04	DS 24/04
DS 14/04	DS 29/04
DS 17/04	DS 31/04
DS 20/04	DS 34/04

The enclosed 84 seals were removed from containers of nuclear material shipped from the European Commission to Global Nuclear Fuel (GNF), Wilmington, North Carolina (USA) between February and May, 2004. For one of the packages, no seals were requested, but were received at GNF from EUODIF on May 6, 2003 intact. All seals in the other shipments agreed with the receiving documentation and were intact.

Sincerely,

/RA Thom Pham for V Ordaz/

Vonna L. Ordaz, Chief
Fuel Cycle & Special Security Programs Section
Nuclear Security Policy Project Directorate
Division of Nuclear Security, NSIR

Enclosure: Tamper Seals

cc: Alex Burkart, DOS/PM/NE
Rosemarie Martyn, GNF
