In the Matter of
Private Fuel Storage L.L.C.
(Independent Spent Fuel Storage Installation)
Docket No. 72-22-ISFSI

Dear Administrative Judges:

On July 12, 2004, I transmitted the NRC Staff's proposed testimony and exhibits for the upcoming hearings to the Licensing Board, Counsel for the State of Utah ("State") and Counsel for Private Fuel Storage, L.L.C. ("PFS"). In my letter, I indicated that the Staff had encountered unexpected difficulties in producing certain computer files and computer-generated Figures (Staff Exhibits 76, 77, 85, 86, and 87), and that the Staff expected to provide copies of those exhibits on Tuesday, July 13, 2004.

This is to advise you that the Staff served the remaining five exhibits on Counsel for the State and Counsel for PFS by Federal Express on July 13, 2004, and delivered copies of those proposed exhibits to the Licensing Board and Mr. Julian on July 14, 2004.

Sincerely,

/RA/

Sherwin E. Turk
Counsel for NRC Staff
