PROCEEDINGS

CHAIRMAN DIAZ: Good morning, Madam Secretary. I think you have a couple of things for us.

MS. VIETTI-COOK: The first item is on Tennessee Valley Authority. The Commission is being asked to act on a Memorandum and Order responding to a Petition by Tennessee Valley Authority (TVA) for Review of LBP-03-10 granted by the Commission in CLI-03-9. In LBP-03-10, a split Atomic Safety and Licensing Board upheld the NRC Staff's finding that TVA had violated 10 CFR 50.7 by discriminating against an employee on account of his "whistleblowing" activities; however, the majority of the Board reduced the civil monetary penalty assessed by the Staff. The Commission has voted to approve a Memorandum and Order based on review of the appellate briefs and the record, which affirms LBP-03-10 in part, reverses it in part, and remands the case for further proceedings.

MS. VIETTI-COOK: Would you please affirm your votes?

CHAIRMAN Diaz: Aye

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: The second item is on Louisiana Energy Services. The Commission is being asked to act on a Memorandum and Order responding to the Atomic Safety and Licensing Board's referral of five of its contention determinations in the Louisiana Energy Services, L.P. proceeding. The Commission has voted to approve a Memorandum and Order, affirming the Board's rulings on all five of the contentions, except for the Board's acceptance of basis D of the "plausible strategy" contention. The Commission took review of Basis D of the fifth contention (which alleges that the depleted uranium hexafluoride does not

meet the Part 61 definition of low-level radioactive waste, and therefore would not be suitable for transfer to the Department of Energy under the USEC Privatization Act). The parties will be given an opportunity to brief the matter.

MS. VIETTI-COOK: Would you please affirm your votes?

CHAIRMAN Diaz: Aye

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: That's all I have.

CHAIRMAN DIAZ: Thank you. We're adjourned.
