Thank you - given Mr. Lewis' thoughts, we'll do it counsel only unless Mr. Sugarman wants a client on.

Judge Farrar:

If it helps at all, CFC Logistics, Inc. only plans on having counsel participate in the call.

Mr. Lewis -

Good question. If Company and/or Petitioners' counsel want to have their clients on, we would permit it, but I don't think it would be necessary to have them on, given how I envision the call going.

You may thus wish to plan to have a Staff rep on also, and if it turns out to be counsel only, he/she could drop off the call.

Your Honor:

Will participation in tomorrow's conference call be limited to counsel? For the Staff's part, I ask because if the parties themselves are going to be on the call, I would be having a knowledgeable member of the Staff on the call. I am using e-mail to pose this question because of the very short time before the call.

Thank you very much for your consideration of this matter.

Giving due regard to the objections of Petitioners' counsel, we will hold a conference call to discuss the future course of the proceeding this Thursday, August 5 at 10:00 AM. Counsel may at that time renew those objections, directing them against any particular action either planned by the Presiding Officer in furtherance of the June 28 Memorandum and Order (see pp. 5-7) or suggested by the Company in its recent communications.

To participate in the call, dial 1-888-323-2719 and use pass code 18850, then press #. You will be able to join the call a couple of minutes before the official start time so that we can begin promptly. If you have any problems connecting, call the Licensing Board office at 301-415-7550.
