Re: Open Records Request

To whom it may concern,

Per the Colorado Public Records Act, Colo. Rev. Stat. Sec. 24-72-201+, I am requesting access to documents pertaining to Louisiana Energy Services's license application to build the National Enrichment Facility in Eunice, New Mexico.

Specifically, I seek one copy of page 4.13-8 of the license application.

If my request is denied in whole or part, I expect you to justify all deletions by reference to specific exemptions of CORA. I will also expect you to release all segregable portions of otherwise exempt material.

I also request a waiver of any applicable fees as release of the material I seek is in the public interest. I reserve the right to appeal your decision to withhold any information or deny a fee waiver.

As this information is of timely value, I would appreciate your communicating with me by telephone or e-mail rather than by regular mail if you have questions regarding this request.

I look forward to your response in three business days, as is required by the statute.

Respectfully,

Kim McGuire
