ULNRC05083
TAC No. MC2899

Ladies and Gentlemen:

**DOCKET NUMBER 50-483
CALLAWAY PLANT UNIT 1
UNION ELECTRIC CO.
FACILITY OPERATING LICENSE NPF-30
CONFIRMATION OF IMPLEMENTATION OF APRIL 29, 2003, ORDERS
TO CALLAWAY PLANT**

Reference: ULNRC-4989 dated 4/26/04

The NRC issued Orders dated April 29, 2003: EA-02-038, *Order for Compensatory Measures Related to Fitness-For-Duty Enhancements Applicable to Nuclear Facility Security Force Personnel*; EA-03-039, *Order for Compensatory Measures Related to Training Enhancements on Tactical and Firearms Proficiency and Physical Fitness Applicable to Armed Nuclear Power Plant Security Force Personnel*; and EA-03-086, *Order Requiring Compliance with Revised Design Basis Threat* (collectively referred to as "Orders") for the Callaway Plant. In addition to other requirements, the Orders required nuclear power plant licensees to revise their physical security plans, safeguards contingency plans, and security force training and qualification plans; submit those plans to the NRC for approval by April 29, 2004; and complete implementation of those plans by October 29, 2004, unless a request for a schedule extension for one or more elements of those plans was approved by the NRC.

NSIROS

On October 22, 2004, Union Electric filed a Supplemental Response to Order EA-03-086 that contained the Physical Security Plan, the Contingency Plan, and the Training and Qualification Plan as required by Order EA-03-086 for the Callaway Plant. By letter dated October 28, 2004, the NRC issued a Safety Evaluation Report documenting the NRC's review and acceptance of those plans. Section III.C. of Order EA-03-086 required Union Electric to advise the NRC when implementation of the NRC approved physical security plans, safeguards contingency plans, and general training and qualification plans has been accomplished. Section III.C.2. of Order EA-03-39 required Union Electric to advise the NRC when full compliance with the requirements in Attachment 2 to that Order has been achieved.

Union Electric hereby certifies that those conditions have been met and the exercise of enforcement discretion pursuant to the Orders during the transition period will no longer be necessary.

If you have any questions concerning this matter please contact Mr. Mark Dunbar at (573) 676-4205 or Mr. David Shafer at (314) 554-3104.

Sincerely,

Keith D. Young
Manager, Regulatory Affairs
