

November 19, 2004

Shannon Burke, Secretary  
Section XI  
American Society of Mechanical Engineers  
Three Park Avenue  
New York, NY 10016-5990

Dear Ms. Burke:

I would like to nominate Mr. Kenneth J. Karwoski as the authorized Nuclear Regulatory Commission (NRC) representative on the American Society of Mechanical Engineers, Section XI Task Group on Examination of Steam Generator Tubes. Mr. Karwoski is a Senior Level Advisor within the Office of Nuclear Reactor Regulation and is responsible for steam generator tube integrity issues.

In accordance with the Office of Management and Budget Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," February 19, 1998, the participation on a committee of an NRC-authorized representative does not connote agency agreement with, or endorsement of, decisions reached by the committee, or of standards approved and published as a result of the committee's efforts. Agency representatives participating on standards developing groups will, to the extent possible, ascertain the views of the agency on matters of interest and will express views that are consistent with established agency views.

Correspondence should be addressed to:

U.S. Nuclear Regulatory Commission  
ATTN: Mr. Kenneth J. Karwoski  
M/S: O-9H6  
Washington, DC 20555  
Voice message: 301-415-2752  
Fax: 301-415-2444  
Email: [kjk1@nrc.gov](mailto:kjk1@nrc.gov)

Thank you very much for providing NRC with the opportunity to participate in the work of your committee.

Sincerely,

**/RA/**
