Re: Freedom of Information Request

Greetings:

The Office of the Attorney General of the State of New Mexico requests that the United States Nuclear Regulatory Commission ("NRC") make available and copy the following documents and materials pursuant to the Freedom of Information Act, 5 U.S.C. §552.

Requested materials include all records related to any communication before January 30, 2004 between (1) the NRC Chairman or Commissioners or their staffs and LES or its representatives and (2) the NRC Chairman or Commissioners or their staffs, and NRC staff members, in both cases relating to the application of Louisiana Energy Services, L.P. for a license or licenses for an enrichment facility to be located in New Mexico, currently docketed as *In the Matter of LOUISIANA ENERGY SERVICES, L.P. (National Enrichment Facility)*, Docket No. 70-3103-ML, ASLBP No. 04-826-01-ML. This request encompasses all logs, notes, appointment calendars, memoranda, electronic messages, facsimile transmissions, paper mail, minutes of meetings or other contact, or documentation in any other form and includes communications both before and after the referenced application was submitted.

Should you have any questions as to the scope or interpretation of the terms of this request, please contact David Pato at (505) 827-6021. We look forward to a prompt statutory response and production of the documents and materials requested above.

Respectfully Submitted,

David M. Pato
Assistant Attorney General
