As long as you are revising the Nov. 10 agenda, it might be nice to have the flexibility to start the "Inclusion of PPEs in ESPs" item before 1PM (in case we finish early on major features or start the lunch break early).

Part 1 of our NOPR comments last year (dated Sept. 16, 2003) is attached. Part 2 was our detailed comments provided on 9/30/03.
