Mr. Douglas Fletcher, Chair  
Vernon Select Board  
Town of Vernon  
P.O. Box 63  
Vernon, Vermont 05354

Dear Chairman Fletcher:

I would like to thank you for supporting the Nuclear Regulatory Commission in our efforts to hold two meetings in Vernon last week.

We understand and strongly support your decision to not hold the meetings because the anticipated number of attendees might have exceeded the safe capacity of the facilities. Like you, our first priority is safety. We share your concerns about assuring the safety of the public and appreciate your willingness to work with us.

We look forward to working with you in the future.

Sincerely,
