I just talked to Dan Green. He said he would check on the proposed times and get back to me.

Re. areas of discussion: Green asked if they could just refer to the NUREG for wording for the Bond and Standby Trust rather than including the recommended language. I told him I preferred to include the language to ensure that the mechanisms are complete with all the attachments and schedules. He also wants to discuss how to present Urenco's cost information. The Urenco info is not in exactly the format recommended in the NUREG and he wants to see if there are other ways to present the data.

We are available any time on Thursday between 10:00 a.m. and 3:30 p.m.  
Is there any way we can find out what questions LES has prior to the call so that we can prepare? Thanks.  
Brantley

Is ICF available on Thursday to discuss the RAIs we sent to LES? They have several questions on them. Thanks.
