PHYSICAL SECURITY PLAN, REVISION 0

South Carolina Electric & Gas Company, acting for itself and as agent for South Carolina Public Service Authority, submits four controlled copies of the Physical Security Plan, Revision 0 (SP-001).

This revision to the Physical Security Plan incorporated the training and qualification plan (T&Q) and the safeguards contingency plan (SCP) identified as Appendix B and Appendix C respectfully and revised the Physical Security Plan as required by Order EA-03-086.

Copies of the training and qualification plan and the safeguards contingency plan should be removed and destroyed in a manner appropriate for documents categorized as safeguards information. Please note even though the cover page has Safeguards Information stamped at the top, it is a decategorized document and does not contain safeguards information.

If you have any questions, please contact Ms. Judy Wasieczko at (803) 345-4564.

Very truly yours,
