RE: Pope County - Russellville  
Section 106 Review - NRC  
Arkansas Nuclear One, Unit 2 License Renewal Review  
(Docket No.: 50-368)  
AHPP Tracking No: 53729

Dear Mr. Lee:

My staff has reviewed Supplement 19 to the "Generic Environmental Impact Statement for License Renewal of Nuclear Plants." We have no objection to the renewal of the license for Unit 2 at Nuclear One with the stipulation that any future ground disturbing activity the results from this renewal should be submitted to this office for review. We also remind Entergy Arkansas that it would be in their long term interest to survey the Nuclear One property for cultural resources so that they can be more effectively managed.

Thank you for the opportunity to comment on this undertaking. If you have any questions, please contact Steve Imhoff of my staff at (501) 324-9880.

Sincerely,

Ken Grunewald  
Deputy State Historic Preservation Officer
