Subject: New license application			
<p>Summary:</p> <p>12-7-04 I explained to Mr. Giomuso that the NRC has allowed for deliveries of radioactive materials to mobile vans if the licensee agrees to have someone on site to accept the delivery. He agreed and will have the licensee agree in writing.</p> <p>12-8-04 The applicant requested to use St. Francis Med. Ctr. as a base site for their PET coach. I confirmed with the owner that they have a signed agreement with the hospital to locate their van and operate on hospital property. Mr. Galdi confirmed this.</p>			
Action Required/Taken: Issue new license.
