Sharon,

Not a problem. I have requested that everyone clear their schedules in order to accommodate your times with the exception of 10 a.m. to 11 a.m. (on Tuesday, 12-14) to which I have a previous engagement that cannot be rescheduled at this time. I also spoke with Yawar a little earlier this evening and he stated that you would like to complete the RAI calls by Tuesday, December 21st. So we will accommodate any times that may be available the NRC's schedules. Please send me an e-mail or call with the time(s) for Tuesday. Yawar also scheduled Electrical on Monday, December 13 at 1 p.m.

Happy Holidays!

Kelly

We are planning to have telephone discussions with USEC pertaining to RAIs next Tuesday 12/14. The discussions will be in the areas of chemical and fire safety, human factors, and management measures. The plan is to have one meeting, however, I have not confirmed the availability of all the reviewers.

I will give you more specific detail on Monday.

Thanks  
Sharon
