SUBJECT: FMC CORPORATION, REVIEW OF FINANCIAL ASSURANCE SUBMITTAL,
CONTROL NO. 135910

Dear Mr. McKeaney:

We have reviewed your amendment to the letter of credit dated December 2, 2004, and your Standby Trust Agreement dated November 30, 2004, to meet the financial assurance requirements for your license. We have no further questions concerning your financial assurance at this time.

This amendment to your letter of credit supercedes the letter of credit dated October 29, 2004, and the Escrow Agreement dated August 27, 2003. The originals of these documents are being returned to you. It is noted that, for the purposes of administration of your financial assurance, your mailing address is 1735 Market Street, Philadelphia, Pennsylvania and the address on your NRC license is in Princeton, New Jersey. Although usually the addresses on these documents should be the same, it is acceptable to have a different address on your financial assurance instrument so long as it accurately reflects the address to be used for the purposes of communicating with your company concerning financial assurance matters.

The following documents currently provide your financial assurance:

Letter of Credit dated December 2, 2004, and
Standby Trust Agreement entered into as of November 30, 2004.

Thank you for your cooperation.

Sincerely,

Original signed by Steven Courtemanche
