SUBJECT: THE HEART CENTER, VOIDANCE OF APPLICATION FOR LICENSE
AMENDMENT, CONTROL NO. 135835

Dear Dr. Clemente:

This concerns the subject application for an Amendment to your material license. We have determined that your license currently authorized the requested activity because the regulations of 10 CFR 35.65 authorize the possession of calibration and reference sources. We have, therefore, voided your application. This action is taken without prejudice to the resubmission of your request.

Sincerely,
