Docket No. 50-271-OLA

RAS 8838

From: "Joan Shaw" <camshaw@sover.net>
To: <hearingdocket@nrc.gov>
Date: Mon, Nov 15, 2004 10:23 PM
Subject: Entergy proposed uprate - engineering report

Atomic Safety and Licensing Board:

We are writing to request that the intervenors, who are representing the public interest in the above matter, be given the opportunity to cross examine Entergy witnesses under oath.

It is vitally important to determine the complete truth regarding the safety implications of the requested changes in operating conditions and procedures. We trust that you agree that this is so and that the safety of the public, i.e., people just like us, is the primary consideration here.

Thank you,
Douglas and Joan Shaw
