Control # 135777

Mr. Ron Rolph
Nuclear Regulatory Commission
Atlanta Federal Center
61 Forsyth Street, SW, Suite 23T85
Atlanta, GA 30323

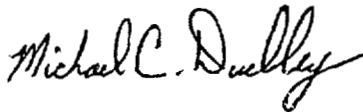

Dear Mr. Rolph,

This letter is to inform the Nuclear Regulatory Commission that Mr. Kenneth G. Epps is no longer employed at Branscome Inc. Therefore he is no longer the Radiation Safety Officer.

Effectively immediately, the new RSO is Mr. William A. Hishok; he completed Troxler's RSO course on February 5, 2004. Attached is a copy of his certificate.

Any questions please contact me at my office: 757-247-1354, or mobil: 757-645-3429.

Sincerely yours,

Michael C. Dudley
Quality Control Manager
Branscome Incorporated

work helping to shoot points and grades with the grading supervisor, Timmy Nassoff. I also was involved with helping doing take offs on VDOT roadway projects.

WILLIAM "ANDY" HISHOK, III

PAGE TWO

5-4-87 to 7-28-97: Concrete Pipe and Products, 3801 Cooke Blvd. Chesapeake, VA 23320 (757) 485-5228

Plant Manager: John Brabble. Laid off due to company being sold.

While working at Concrete Pipe and Products, I started as a maintenance mechanic. After one year, I was promoted to a welding foreman and held that position for two years. I was then promoted to production supervisor for four years. Finally, I was moved up to shipping supervisor and quality control technician. I was in charge of the company stockroom for seven of the ten years I was employed there.

1-15-82 to 4-20-87: D&W Builders, 4069 Maple Drive, Chesapeake, VA 23321 (757) 465-0115

Foreman: Dalton Williford

I worked as a carpenter doing everything from framing to form work to concrete work.
