The Atomic Safety and Licensing Board hereby gives notice that it will convene an evidentiary hearing to receive testimony and exhibits and allow the **cross-examination of witnesses relating to certain matters at issue in this proceeding regarding the December 2003 application of Louisiana Energy Services, L.P., (LES) for a license under 10 C.F.R. Part 70 to construct and operate a uranium enrichment facility -- the National Enrichment Facility (NEF) -- to be constructed near Eunice, New Mexico.** In addition, the Board gives notice that, in accordance with 10 C.F.R. § 2.315(a), it will entertain oral limited appearance statements from members of the public in connection with this proceeding.

The public is advised that, in accordance with 10 C.F.R. § 2.390, part of the sessions regarding each of the contentions may be closed to be public because the matters at issue may involve the discussion of protected information.

C. Participation Guidelines for Oral Limited Appearance Statements

Any person not a party, or the representative of a party, to the proceeding will be permitted to make an oral statement setting forth his or her position on matters of concern relating to this proceeding. Although these statements do not constitute testimony or evidence, they nonetheless may help the Board and/or the parties in their consideration of the issues in this proceeding.

Oral limited appearance statements will be entertained during the hours specified above, or such lesser time as may be necessary to accommodate the speakers who are present.<sup>1</sup> In this regard, if all scheduled and unscheduled speakers present at a session have made a presentation, the Licensing Board reserves the right to terminate the session before the ending times listed above. The Licensing Board also reserves the right to cancel the Saturday morning and/or afternoon sessions scheduled above if there has not been a sufficient showing of public interest as reflected by the number of preregistered speakers.

The time allotted for each statement normally will be no more than five minutes, but may be further limited depending on the number of written requests to make an oral statement that are submitted in accordance with section D below and/or the number of persons present at the designated times. In addition, although an individual may request an opportunity to speak at more than one session, the Licensing Board reserves the right to defer an additional presentation by the same individual until after it has heard from speakers who have not had an opportunity to make an initial presentation.

Finally, the Board anticipates holding additional oral limited appearance statement sessions in the Hobbs, New Mexico area in conjunction with the evidentiary hearings currently scheduled for October and November 2005. The Board will make further information regarding those sessions available as the time for those hearings draws near.

---

<sup>1</sup> Any members of the public who plan to attend either the evidentiary hearings or the limited appearance sessions are strongly advised to arrive early to allow time to pass through any security measures that may be employed. Attendees are also requested not to bring any unnecessary hand-carried items, such as packages, briefcases, backpacks, or other items that might need to be examined individually. Items that could readily be used as weapons will not be permitted in the rooms where these sessions will be held. Also, during these sessions, signs no larger than 18" by 18" will be permitted, but may not be attached to sticks, held up, or moved about in the rooms.

D. Submitting a Request to Make an Oral Limited Appearance Statement

Persons wishing to make an oral statement who have submitted a timely written request to do so will be given priority over those who have not filed such a request. To be considered timely, a written request to make an oral statement must either be mailed, faxed, or sent by e-mail so as to be received by noon EST on Thursday, February 3, 2005. The request must specify the session (morning or afternoon) during which the requester wishes to make an oral statement. Based on its review of the requests received by February 3, 2005, the Licensing Board may decide that the Saturday morning and/or afternoon sessions will not be held due to a lack of adequate interest in those sessions.

Written requests to make an oral statement should be submitted to:
