<p>Subject: The licensee name on the current license was PPD Development, Inc. In the renewal application the licensee name was listed as PPD, Inc. I called Dick Tacey, RSO, about this. He stated there was no change of control or change of name. The "D" in PPD stands for Development. Some company personnel did not realize this and added "Development" to the PPD name. The company is using up the PPD Development letterhead on hand. There was no change of control or change of ownership or personnel with responsibility for licensed material.
