Subject: Swatch Group (U.S.), Inc. - Security & Control Procedures

Marjorie,

As requested, please find attached the subject proposed procedure, now that we will only be storing (for subsequent sales and distribution) the remaining finished watches which contain Tritium dials and hands.

Again, all parts formerly used in our repair operations are no longer on-site (see RF to MM dated 11/15/04 re: manifest of RADMAT disposal).

I trust this meets with your approval.

Regards,

Rich Fernicola
