SUBJECT: SENSOR SERVICES, INC., REQUEST FOR ADDITIONAL INFORMATION
CONCERNING CHANGE OF OWNERSHIP, CONTROL NOS. 136154, 136155,
136156, AND 136157

Dear Mr. Lake:

This is in reference to your letter dated December 1, 2004 regarding the change of ownership of Nuclear Regulatory Commission License Nos. 32-25568-01 and 32-25568-02G. In order to continue our review, we need the following additional information. If any items are not applicable, so state.

1. Provide a complete description of the transaction (transfer of stocks or assets, or merger).
2. Describe any changes in authorized users listed in Condition 11.A. of NRC License No. 32-25568-01 or duties that relate to the licensed program. Include training and experience for any new personnel.
3. Describe any changes in operating or emergency procedures or equipment that relate to the licensed program.
4. Describe the status of the surveillance program (surveys, calibrations, leak tests, inventories, and accountability requirements) and records at the present time and the expected status at the time that control is to be transferred. Please confirm that the surveillance program is current at the time of transfer, or include an explanation if this not the case.

5. Confirm that all records concerning the safe and effective decommissioning of the facility will be transferred to the transferee or to NRC, as appropriate. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity.
6. Provide documentation that the transferor and transferee agree to transferring control of the licensed material and activity.
7. Confirm that the transferee will abide by all constraints, conditions, requirements and commitments of the transferor or that the transferee will submit a complete description of the proposed licensed program.

Once you have satisfied the reporting requirements for transfer of control of your NRC licenses, your current licenses will be terminated and new NRC licenses (37-30981-01 and 37-30981-02G) will be issued based on your change of mailing address to Pennsylvania.

Please note that on October 25, 2004, the NRC suspended public access to ADAMS, and initiated an additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the NRC Public Document Room pending resumption of public access to ADAMS. The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at 800-397-4209 or 301-415-4737 or pdr@nrc.gov.

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control Nos. 136154, 136155, 136156, and 136157. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5371.

If we do not receive a reply from you within 30 calendar days from the date of this letter, we shall assume that you do not wish to pursue your application.

Sincerely,
