**SUB:** Application for an amendment to the x-ray Sealed Source license (# 29-30288-01):

Dear Mr. Thompson:

This is in reference to your letter dated Dec. 20<sup>th</sup>, 2004 requesting more information regarding the change of name of the company.

To this I would like to inform you that changing the name of the company was just the strategic marketing decision and

- a. There was no change in ownership (or control) of the company. The Princeton Instruments is still a division of Roper Scientific.
- b. The Name and telephone number of the contact person remains the same, i.e.

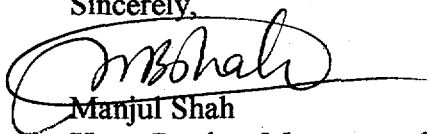

Name: Manjul Shah

Phone: 609-631-4013 (direct)  
609-587-9797 (office)

- c. There is no change in the personnel or duties related to the licensed program.
- d. There is no change in the location, facilities or equipment or procedure.
- e. There is no change in the surveillance program, i.e. survey, wipe test, quality control etc.
- f. Not applicable.
- g. Not applicable.
- h. Not applicable.

I hope this letter will be sufficient to process the amendment request. If you find that you require more information or clarifications, please feel free to contact me at (609)-631-4013.

Sincerely,

Manjul Shah  
X-ray Product Manager and RSO
