Amendment No. 36

In regard to your cover letter dated December 27, 2004, confirming issuance of License Amendment 36, it was conveyed that NRC policy no longer lists more than one RSO on a NRC license. However, when Mr. J. E. Phillips was dropped as the Alternate RSO, he was not retained at least in the capacity of an Authorized User. Therefore, we request that he be added to the license as an Authorized User. Furthermore, we request that Arnauld Orsak and Ronald B. Young be removed from the Authorized Users listing as they are no longer with the organization.

Sincerely,

A handwritten signature in black ink, appearing to read "P. W. Allen", with a long horizontal line extending to the right.
