Subject: letter dated 12/27/04 - phone messages		
<p>Mr. Marshall left a voice mail message for me. He was forwarded the 12/27 letter, by Barry Ilman, the former RSO for WVIT. Ecology Services performed the decommissioning surveys of the uranium room for WVIT. He stated that it will take significant time to answer the questions, and they will not meet the 3-day limit.</p> <p>I called him 2/1/05 but he was out of the office. I left a voice mail message that we are aware that it was unlikely we would have a response within the 30 days of the date of the letter (this week). I told him that I would void this action at this time, and open a new action when the response letter is received.</p>		
Action Required/Taken: Copy of telecon to LAT for inclusion with licensing package. Void action.
