Ms Janda:

In the last sentence of first paragraph of my letter dated December 20, 2004, I incorrectly referred to source model number SIF K 1265. I meant to refer to source model number SIF K 2365. I should have said that Philip Morris USA wishes to amend its materials license to add the AEA Technology (Amersham) source model SIF K 2365 for use in our "MAID N" gauges. I will confirm this by letter.
