Re: Film Badges

To Whom It May Concern:

03032899

We wish to make an addendum to OK Construction Co., Inc. Nuclear License Number 47-25217-01. We have had very low radiation exposure during the last 15 years using our compaction gauges and accordingly request the badges be eliminated. We will, under no circumstances, repair or attempt to repair the compaction gauges or remove the nuclear rod. All repairs will be done by an approved laboratory such as Troxler.

Call me if you have questions or comments, I appreciate the help.

Very Truly Yours
