TITLE: Sr VP, Ops

TELEPHONE: 201 402 5277

LICENSE TERMINATED: ☒

LICENSE TRANSFERRED:_____

LICENSE TRANSFERRED TO: Name: _____

Address: _____

Telephone: _____

BASIS FOR TERMINATION AND/OR RETIREMENT:

TERMINATION AND/OR RETIREMENT: no longer possesses licensed material

1. License termination meets Type I criteria:

Y N

— Licensee used sealed sources only and the most recent leak test demonstrates that they did not leak while in the licensee's possession

— Licensee used radioactive material with $T_{1/2} \leq 60$ days and it has decayed to less than the activity in 10 CFR Part 20 Appendix C

2. License termination meets Type II criteria:

Y ☒ N ☐

— Licensee possessed and used only sealed sources but cannot demonstrate that the sources did not leak while in the licensee's possession

— Licensee possessed unsealed radioactive material with $T_{1/2} \leq 60$ days but the maximum activity authorized under the license has not decayed to less than the quantity specified in 10 CFR Part 20, Appendix C

 Licensee possessed unsealed radioactive material with $T_{1/2} > 60$ days but ≤ 120 days.

— Licensee possessed ^{14}C or ^3H but the total activity(s) and use authorized under the license warrants decommissioning under Type II (describe rationale above)

3. License termination meets Type III criteria: Y N ✓
— Decommissioning qualifies for a categorical exclusion under 10 CFR 51.22 (c) and
— Licensee will decommission its facility in accordance with the NRC's criteria for unrestricted use.
4. License termination meets Type IV criteria: Y N ✓
— Decommissioning does not qualify for a categorical exclusion under 10 CFR 51.22 (c)
— Licensee will decommission its facility such that residual radioactive material may remain in excess of NRC's criteria for unrestricted use.
5. Termination survey required: Y N ✓
— Termination survey submitted by licensee
— Termination survey satisfies NRC survey requirements
6. Form 314 or equivalent submitted: Y N ✓
— Staff verified disposition of sealed sources:
or unsealed radioactive material
by: email
— letter from Form 314 recipient
— call to Form 314 recipient
7. Licensee transfer records discussed in 10 CFR Parts 30.35, 30.36, 30.51; 40.36, 40.42, 40.61; or 70.25, 70.38, 70.51 Y N ✓
— To USNRC
— To individual assuming responsibility for the license, with a copy of the cover letter to NRC
8. NRC closeout inspection required: Y N ✓
— Closeout inspection performed:
on: _____
Inspector: _____
9. Closeout survey performed: Y N ✓
on: _____
by: _____
