Mail Control No.: 135408 Inspection No.: N/A	License No.: 37-23747-01	Docket No.: 030-31088
Person Called: R. Dennis O'Laughlin, President	Licensee: Metal Management Pittsburgh	Telephone No.: 412-384-7400
Person Calling: Steven Courtemanche/(610) 337-5075		
Subject: Need for response to RAI of October 15, 2004		
<p><u>Summary:</u> I spoke with Mr. O'Laughlin about the failure of the licensee to respond to the Request for Additional Information. Mr. O'Laughlin stated that the company is in the process of returning the units to the manufacturer for disposal. I stated that I still needed a reply to my letter so that I could complete the action. However, since they are in the process of transferring the units and are not using them, they can send a letter requesting that the license be changed to a "storage only" status. Once the units have been transferred, the licensee would need to send in a letter requesting termination of the license and include a copy of the leak test certificates and a letter from the manufacturer confirming that they have received the units.</p>		
Action Required/Taken: Place into ADAMS.
