Subject: renewal application		
<p>I contacted Ms. McCalip regarding the renewal application CCAC submitted. The licensee was not aware of NUREG-1556 vol. 11. The license was last renewed in 1995 before the NUREG-1556 guidance was published. The application contained information that was not necessary and did not contain information necessary for a renewal application. We went through Vol. 11 and discussed what should be included in the renewal application. Ms. McCalip will re-submit the renewal application using the appropriate license guidance. I will draft a deficiency letter to the licensee explaining this.</p>
