Rich,

During the site audit, Dan Pava requested the following information. Our response immediately follows the request:

Information on site property boundary changes or property transfers that have taken place.

To the best of our knowledge, there have been no property boundary changes, and the only property transfer was that which transferred the site from Northeast Utilities to Dominion.

Information on average employee compensation, both with and without benefits.

Average compensation, exclusive of overtime and profit-sharing, is \$74,330 without benefits, and \$100,256 with benefits.

I would appreciate if you could pass this information on to Dan. Thank you.
