Person Called	Lee Anthony, Ph.D.	License Number	45-03654-01	Phone Number	(540)563-0165
Facility	Alleghany Regional Hospital	Docket Number	03003315	Mail Control Number	
Subject	Future license amendment				
Synopsis	The licensee will be sending an amendment request to move their nuclear medicine department. This will involve maintaining negative pressure, but venting exhaust through a filter into a hallway rather than the roof. The license reviewer should assess the licensee's method of demonstrating compliance Part 20 dose limits to the general public.
