Subject: Request for Additional Information			
<p>Summary:</p> <p>I asked the licensee's consultant for additional information regarding the recent renewal for a material license (dated 10/13/04). The information was needed to clarify whether the licensee wanted to retain Marcia Shomo, M.D. as an authorized user on the license renewal. The license renewal application did not list Dr. Shomo as an authorized user, but she had just been added on the last amendment request received on 9/20/04.</p> <p>The licensee's consultant stated that it was an oversight on the license renewal application, and they would like to retain Dr. Shomo on the new license.</p>			
Action Required/Taken: Prepare the new license for issuance.
