Dear Mr. Dwyer:

This is a request to amend our License to reflect the change in the Radiation Safety Officer. The Radiation Safety Officer listed on our License, Joseph E Maddock, III, has retired. The new RSO for this license will be James R. Ammend. Mr. Ammend has previously served as RSO at another facility where he oversaw the use of similar fixed, sealed source gauges. Enclosed is a copy of his 40 Hour Radiation Safety Officer Training Certification.

If you have any questions or require additional information, please feel free to contact James Ammend at 908-454-1161 Ext. 171.

Very truly yours,

Keshava S. Murthy
