Room 8H085

Dear Ms. Parkes:

This correspondence is in response to your letter of February 18, 2005, regarding the Financial Management Line of Business Memorandum of Understanding (MOU). Based on subsequent discussions with the Office of Management and Budget (OMB), the MOU has been revised to reflect OMB's decision that NRC participation would be on an unfunded basis. The Chief Financial Officer and I have signed the revised agreement.

Again, the Commission looks forward to continuing to support this and similar initiatives through involvement in government-wide committees of the Chief Information Officer's Council and Chief Financial Officer's Council. Our liaison for the FM-LOB initiative is Ms. Michelle Curtis (301-415-7607) of our CFO's staff and Mr. Stuart Reiter (301-415-8701) of my staff. You may contact me at 301-415-7443.

Sincerely,
