<b>Subject:</b> No response to RAI.		
<p><u>Summary:</u> I spoke with Ms. Florentino about the lack of a response to our Request for Additional Information from January 11, 2005. She stated that she had spoken to me late last month and was told that the action needed to be completed by late April. I confirmed the above and stated that I had a number of actions awaiting responses and needed the RSO phone and fax number to update our records as well. So, my phone call was an effort to determine how far along their response was. She replied that she was back from a two-week vacation and that the forms were on her desk. She would be able to complete them in a couple of weeks and submit them for signature prior to sending them in to the NRC for review. I thanked her for her attention to the matter.</p>
