Pursuant to our telephone call on 2-1-05, the following information is needed regarding your amendment request, Control No. 136365; Docket No. 03002465; License No. 29-03047-01:

1. Please specify who will be performing source changes, i.e. AROS, Varian, and where?? client site, AROS;
2. Please supply a copy of the confirmation of receipt of the IVB sealed sources, and last leak test results in order to remove from the license;
3. Confirm deletion of 31.11 materials since Dr. Brown was the only authorized user, or confirm they will be used under the general license, i.e. total possession limit will not exceed 200 microcuries;
4. Dr. Arber is not listed for 35.300 authorization; provide evidence of continuing experience or delet request for these materials;

5. specify range of survey meter

You may fax this information to my attention at 610-337-5393. Please refer to the control no. listed above on your correspondence. Please do not mail your response in addition to the facsimile.

Please respond no later than 3-31-05 or we will have to void this action. This action will be taken without prejudice to the resubmission of this request.

Sincerely,
Michelle Beardsley
