Re: Amendment to License No. 29-27911-01 03029570

Gentlemen:

We would like to amend our material license to include the following location as a storage facility for our portable gauges.

This additional facility is located at 327 N. Washington Street, Hammonton, New Jersey 08037. The facility consists of a 5,000 sq ft concrete and block, two story building. Material will be stored in a locked room on the first floor.

The building is under lease to Martin A. Ackley Associates for two years for which we have total control. Please note that this is an addition to our facility located at 467 Atco Avenue, Atco, New Jersey 08004.

Our phone number at the Hammonton facility is (609) 561-9415 and our phone number at our Atco facility is (856) 768-7768. Please confirm that this amendment is complete.

Should you have questions or require any additional information, please do not hesitate to contact our Radiation Safety Officer Martin A. Ackley.

Sincerely,

Martin A. Ackley/RSO.
