<b>Subject:</b> Statement of Intent		
<p>I called Patrick to discuss the Statement of Intent the UMDNJ submitted to provide financial assurance for decommissioning activities. The model Statement of Intent was not used and what was submitted did not make it clear that the person signing has express authority and responsibility to request funds for decommissioning activities. Also the attached University Policy did not make it clear that the person signing the Statement of Intent is authorized to represent UMDNJ in this transaction for the necessary 1.125 million dollars. Patrick agreed and stated he would go back to UMDNJ management and suggest they use the model format. He will attempt to get clearer documentation as evidence the the person signing is authorized. We agreed that he would mail this additional information to me by Tuesday February 22.</p>
