SUBJECT: WARREN HOSPITAL, ISSUANCE OF CORRECTED COPY OF LICENSE,
CONTROL NO. 131554

Dear Ms. Falvey:

Enclosed is the Corrected Copy of Amendment No. 27 for License No. 29-01101-03 deleting authorization for palladium-103. It was brought to our attention during an internal records review that palladium-103 was listed on your license for brachytherapy procedures. Palladium-103 sealed sources are accelerated produced products and are regulated by the State of New Jersey. Therefore, you will need to apply for and receive a license for palladium-103 brachytherapy use from the State of New Jersey.

We apologize for any inconvenience this error may have caused.

Sincerely,

Original signed by Pamela J. Henderson
